Mapped by the Defense Mapping Agency
Published for civil use by the Geological Survey

Control by NOS/NOAA and TVA

Topography from aerial photographs by photogrammetric methods
Aerial photographs taken 1943. Field checked 1945

Polyconic projection. 10,000-foot grid based on New York coordinate system, east zone. 1000-meter Universal Transverse Mercator grid ticks, zone 18, shown in blue. 1927 North American Datum
To place on the predicted North American Datum 1983 move the projection lines 5 meters south and 34 meters west as shown by dashed corner ticks

There may be private inholdings within the boundaries of the National or State reservations shown on this map

Revisions shown in purple compiled by the Geological Survey from photographs taken 1978. This information not field checked. Map edited 1980
